HARTSHORNE PARISH

Annual Parish Meeting

Parishioners are invited to attend the Annual Hartshorne Parish Meeting.

When: Wednesday 7th May 2014

Where: The Dethick Hall, Manchester Lane

Time: 7.30pm (Tea and biscuits available at 7.00pm)

The Annual Parish Meeting presents an opportunity for Hartshorne parishioners to hear about activities within the parish during the last 12 months. A report will be presented by the Parish Council Chairman to include the Council's finances. Reports will also be received from clubs and organisations operating within the Parish.

Parishioners may bring to the meeting any local issues of general concern.

Hartshorne Fete 2013

Hartshorne fete was held on the 29th of June 2013 on the recreation ground at Goseley.

It was a great success enjoyed by hundreds of people.

There were rides, stalls, games and competitions such as the ever popular tug-of-war.

Refreshment stalls catered for all tastes and many local groups were able to

boost their funds through raffles and the selling of tea and cakes.

No event of this kind just happens and thanks are due to the organising committee who spent many hours ensuring the event was the best yet and passed off safely. Even the weather was perfect. Thanks are particularly due to parish councillor Peter Smith, chairman of the committee, and his wife Phillipa, committee secretary.

For more photographs of the fete visit the Parish website at www.hartshorne.org.uk

‘Community Day’ 2014

The time and effort needed to arrange the large scale 2013 fete has led the organising committee to defer further fetes until at least 2015. Hartshorne Parish Council, encouraged by the success of last year’s fete, have, however, opted to explore the possibility of hosting a ‘Community Day’, basically a small scale fete providing games and competitions and enabling local organisations to showcase their activities and raise some funds.

As Hartshorne Cricket Club hold social events during the year, discussions are underway between the Council and the Club to establish how a Community Day would fit with a club social event, possibly in August of this year. Visit www.hartshorne.gov.uk for further information in the near future.

Speedwatch Update

As reported in last year’s newsletter a small group of volunteers attended a training session provided by the police and are now able to operate a ‘community speedwatch’. The speedwatch team were initially out in the 30mph zones of Woodville Road and Main Street, clocking vehicle speeds in excess of 35mph. At this speed registration numbers were noted and passed to the police and several drivers will have received warning letters as a result. Speeding traffic in Hartshorne however continues to be a concern and the Parish Council, on behalf of local residents, requested the County Council to undertake speed monitoring on Sandcliffe Road. The County Council decided that such monitoring was not necessary. Recently, however, the speedwatch team opted to target Sandcliffe Road and noted more than 30 vehicles travelling in excess of 35mph in only one hour.

Hartshorne Cricket Club (Report by Steve Tomlin)

2013 proved to be another great year for HCC both on and off the pitch. The 1st XI narrowly missed out on promotion but now look a rejuvenated side thanks to the fast bowling of local youngster Jack Ashcroft. If you wish to see a 15 year old lad terrorise experienced batsmen then the cricket ground is the place to be on a Saturday.

The 2nd XI gained promotion to Division 9S under the guidance of skipper Mark Stone. The team fielded a mixture of experience and youth so that the previous years Under 17’s got the opportunity to play in the

longer game format. This year the 2nd XI will continue to be a vehicle for the youngsters to play along with a number of specially arranged matches against similar teams from other clubs.

The Women's XI continues to grow in numbers and confidence and will be competing in their first competitive matches in 2014. Sandi Filby (Captain) and the girls are constantly on the lookout for new players so if you, or anybody you know, fancies taking up the game then please visit our website for full details (no experience necessary, full coaching given).

The junior teams had various levels of success and failure throughout the season with the Under 11's being the pick of the bunch with their plucky performances which saw them beat both Ticknall and Lullington. Special praise should go to young Jake 'Redders' Redfern, who has been selected to train and play with the Derbyshire CCC Under 13 squad. We are hoping the new pavilion project finally kicks into gear and have plans to start the build as soon as the 2014 season ends. This project has been 5 years in the making and all Club members are very excited.

Scoop the 'poop'

One of the issues causing not only local but national concern is that of dog fouling in public places. The health hazards associated with dog mess are well known and it is the physical presence which is so distasteful. Children are particularly at risk which is why dogs are banned in children's play areas. The onus is on dog owners to clean up if their dogs foul the streets or any public area. Complaints received by the District Council relating to dog fouling are investigated but with only 2 community wardens to cover environmental issues throughout the District the likelihood of a warden actually witnessing a fouling incident is remote unless specific information can be supplied by the public. Fines of up to £1000 can be levied.

The *countryside code* asks people to consider others, to protect the environment and enjoy the countryside. Scooping the 'poop' even out in the countryside can only enhance everyone's enjoyment and wellbeing.

Bagged 'poop' does not have to be disposed of in special dog bins but can be deposited in any general rubbish bin.

Hartshorne Charities

In 1626 the Rev. William Dethick left money to aid the poor of Hartshorne. Over the years eight other Parishioners bequeathed sums to the poor. In 1963 the Charity Commissioners combined all these individual charitable trusts and formed Hartshorne Charities. The Commissioners Deed states that the Trustees can only make grants to those who reside in the Parish of St. Peter Hartshorne.

The Trustees, all local people, consider a variety of requests for assistance including books for university students, school clothing, help with travel expenses for regular hospital visits etc. Applications for a grant should be made in writing to the Secretary, Cllr. Doug Jenkinson at 50 Repton Road, Hartshorne, DE11 7AF, explaining why a grant is required. Applications will be considered by the Trustees at their quarterly meetings, usually held in February, May, August and November. Remember grants can only be made to those living in the Hartshorne Parochial District. Full details of the Charity can be found on the Charity Commissioners web site, under the Charity's Registered Number 236972.

Eager Beavers

Hartshorne Beaver Group is a relatively new addition to the 1st Hartshorne Scout Group, having started in September 2013. It is suitable for boys and girls aged 6-8 and they meet on a Monday between 5.15pm and 6.15pm at the Goseley Community Centre. In the short time they have been running they have visited a local pet store, been on a walk around Hartshorne, had a visit from a guide dog and its owner, done lots of craft

(including taking part in the big district craft day at Willington) and have earned a lot of badges! The group currently has space for a few more members and anyone interested in joining should contact Sarah, Beaver leader, on 07812891372 or email adrian.vince007@btinternet.com. The cost is £2.50 per week for the regular meetings with opportunities to take part in additional activities such as district camp, beaver bonanza fun day and trips out.
